

King of Terrors

Symphony X

I awake without the sun
Encased in walls of steel
Terror so real it blinds me Rancid darkness steals my breath
The Pit on the edge of death
The wells of Hell know not my name
I slip away into black I fade away Terrified to the left and to the right
Spirit of the damned, iron shadows cast
Hear my desperate cries shrieking demon far and wide
Praying for this breath to be my last Awake again paralyzed
I'm shackled to this alter
Sacrificed to their God Inch by Inch and Line by Line
The Blade, descending lost in time
The fiends of Doom they call my name
I slip away into black I fade away Terrified to the left and to the right
Spirit of the damned, iron shadows cast
Hear my desperate cries shrieking demon far and wide
Praying for this breath to be my last Terrified to the left and to the right
Spirit of the damned, iron shadows cast
Hear my desperate cries shrieking demon far and wide
Praying for this breath to be my last
