

All Over

Young Thug

[Hook]

Swag all over my body all on my shoes
Good look killing these niggas, I'm breaking that news
Swag all over my body all on my shoes
You know Metro higher than a mountain where my dew
Ay, I got swag all on my motherfucking shoes
You know I got swag all on my motherfucking shoes[Verse 1]
Bumbaclot pass me the rock
Thug life like Pac
32 rounds in that Glock
Bumbaclot, state trooper tried to catch a nigga with the Glock
Tell em mind they business bitch I'm tryna run a shop
Pussy nigga going loose lips so I bought a mop
Anytime they come down at me I get to first like i had to stop
Take me a trip to Colorado to smoke some rocks
No way, no way, no way she can't leave me
You can't leave me, she's not from Georgia but she a peach[Hook]
Swag all over my body all on my shoes
Good look killing these niggas, I'm breaking that news
Swag all over my body all on my shoes
You know Metro higher than a mountain where my dew
Ay, I got swag all on my motherfucking shoes
You know I got swag all on my motherfucking shoes[Verse 2]
I'm swagging from head to toe buzzin'
I got so much weed in the blunt I could make a fucking mullet
You lil niggas are fake actors we just call ya puppets
I don't move unless it's about money, I jump like ribbit
Rabbit rabbit bitch I'm jumping like ribbit
And I'm twice as green, ya dig
I got hella kids, ya dig
And they roll my weed, ya dig
Ya dig
