

# Zero Gravity

## Mum

Feels like ,coming home  
After traveling a million miles

I am ,not alone

Searching for the starlight in the darkest skies

A complex ,surface

Laid out right before our eyes

Everything ,makes sense

Now that you are by my side

I'm as light as I can be

You got me feeling weightless

You take me on an odyssey

You got me feeling weightless

You make me float free

My love for you is endless

No ties are binding me

Oh I'm in zero gravity

Now I'm in zero gravity

Oh I'm in zero gravity

All the ,pain in me

No more needs to be expressed

Feels like ,I can breathe

You lift a burden off my chest

Traces ,of sadness

No more chain me to the ground

I am ,limitless

Ever since you came around

I'm as light as I can be

You got me feeling weightless

You take me on an odyssey

You got me feeling weightless

You make me float free

My love for you is endless

No ties are binding me

Oh I'm in zero gravity

Now I'm in zero gravity

Oh I'm in zero gravity

Now I'm in zero gravity

Oh I'm in zero gravity

I'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightless
