

Try a Little Tenderness

[Aretha Franklin](#)

Oh she may be weary
Them young girls they do get wearied
Wearing that same old miniskirt dress
But when she gets weary
You try a little tenderness Oh man that
Un hunh
I know shes waiting
Just anticipating
The thing that you'll never never possess
No no no
But while she there waiting Try just a little bit of tenderness
That's all you got to do
Now it might be a little bit sentimental no
But she has her greavs and care
But the soft words they are spoke so gentle
Yeah yeah yeah
And it makes it easier to bear
Oh she wont regret it No no
Them young girls they don't forget it
Love is their whole happiness
Yeah yeah yeah
But its all so easy
All you got to do is try
Try a little tenderness
Yeah
Damn that hart (hard?) All you got to do is know how to love her
You've got to
Hold her
Squeeze her
Never leave her
Now get to her
Got got got to try a little tenderness
Yeah yeah
Lord have mercy now All you got to do is take my advice
You've got to hold her
Don't squeeze her
Never leave her
You've got to hold her
And never

So you got to try a little tenderness

A little tenderness

A little tenderness

A little tenderness You've got to

Got to got to

You've gotta hold her

Don't squeeze her

Never leaver her

You got

Got got got to

Now now now

Got got got to

Try a little tenderness
