

She's a Handsome Woman (Live In Chicago)

Panic! At the Disco

Go on Innocence sunk the glow and drowned in covers
Send for all your absent lover's things
Sheepish wolves looking lived in eating buttons
Wink, just don't put your teeth on me
(Go on) Accidents let the evening in the back door
Filled the room ceiling to the floor
Beat backbones, grazed the poem and made it strange
I wasn't born to be a skeleton
(Go on) Go on, grab your hat and fetch a camera
Go on, film the world before it happens
Go on, grab your hat and fetch a camera
Go on, film the world before it happens
(Go on) Jealous orchard the sky is falling off the ceiling
While I'm tucking fibs into a cookie jar
Reverie it's useless searching in the cupboards
When everything you have is on your back
(Go on) Go on grab your hat and fetch a camera
Go on film the world before it happens
(Go on)
Go on grab your hat and fetch a camera
Go on film the world before it happens Go on grab your hat and fetch a camera
Go on film the world before it happens
(Go on)
Film the world before it happens
Film the world before it happens
(Go on)
Film the world before it happens
