

# 12 Days

## School Gyrls

Twelve days to fall in love  
12 days ain't enough for us to fall in love  
I'm dreaming of you day and night  
Tell me baby, what we didn't do right  
Cause we were kissing under the mistletoe (toe)  
But, lonely when we had to go  
Baby twelve days (twelve days) twelve days  
Ain't enough, ain't enough to fall in love  
On the first day of Christmas  
I was by myself, it was only me  
On the second day of Christmas  
I met you downtown by the Christmas tree  
On the 3rd and 4th day of Christmas  
You were on my mind  
By day six, I gotta admit  
I wanted to give us a try  
12 days ain't enough for us to fall in love  
I'm dreaming of you day and night  
Tell me baby, what we didn't do right  
Cause we were kissing under the mistletoe (toe)  
But, lonely when we had to go  
Baby twelve days (twelve days) twelve days  
Ain't enough, ain't enough to fall in love  
On the seventh day of Christmas  
Boy, I swear that we were feeling  
Like we were both skating on ice  
Me and you, you and me  
Kissing under red and green lights

By day ten I knew that  
You would soon be gone  
Baby, this can't be  
Why this have to happen to you and me?  
12 days ain't enough for us to fall in love  
I'm dreaming of you day and night  
Tell me baby, what we didn't do right  
Cause we were kissing under the mistletoe (toe)  
But, lonely when we had to go  
Baby twelve days (twelve days) twelve days

Ain't enough, ain't enough to fall in love  
The time moves on and so will we  
Until next Christmas, I'll see you in my dreams  
I will hold on (hold on)  
To our memories (our memories)  
Memories (twelve days ain't enough)  
12 days ain't enough for us to fall in love  
I'm dreaming of you day and night  
Tell me baby, what we didn't do right  
Cause we were kissing under the mistletoe (toe)  
But, lonely when we had to go  
Baby twelve days (twelve days) twelve days  
Ain't enough, ain't enough to fall in love  
12, 11, 10, 9, 8, 7 (twelve days)  
6, 5, 4 (hey, yeah) 3, 2, 1  
Fall in love, ooh  
12 days to fall in love
