Someone who know to do it

To fulfill all my fantasy
And let me reach a peak
Salute to all my dogs
A yard and over broad
According to the laws
You cannot be a thug
And only dressin' up in draws
I say this once again
Big up to all my friends
And bun down all my enemies Yagga yagga whoa

Tight doughs so I keep my sticks wit me
When I'm down they will blaze trees wit me
Sip the Cristal cause life is easy
And I resist
From being the nigga that will stick ya
Would you die like a bitch thinking
That I'm gonna get ya
Do you think I would twitch
Shottin' ya close up
When ya ride when I rock dekembeh
Cause I'm critics about
When I'm ready but all buys
So that you know what six figure divide
