

# Anything Could Happen

## The American Analog Set

Stripped to the waist  
We fall into the river  
Cover your eyes  
So you don't know the secret  
I've been trying to hide  
We held our breath  
To see our names are written  
On the wreck of '86  
That was the year  
I knew the panic was over  
Yes since we found out  
Since we found out  
That anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could  
After the war we said we'd fight together  
I guess we thought that's just what humans do  
Letting darkness grow  
As if we need its palette and we need its colour  
But now I've seen it through  
And now I know the truth  
That anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could  
Baby, I'll give you everything you need  
I'll give you everything you need, oh  
  
I'll give you everything you need  
But I don't think I need you  
Stripped to the waist  
We fall into the river

Cover your eyes  
So you don't know the secret  
I've been trying to hide  
We held our breath  
To see our names are written  
On the wreck of '86  
That was the year  
I knew the panic was over  
Yes since we found out  
Since we found out  
That anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
Oh, whoa  
But I don't think I need you  
But I don't think I need you  
But I don't think I need you  
But I don't think I need you
