Just A Habit

Low Roar

[Verse 1]
Could you point me towards
A quiet gathering
Full of bugs and holes
Where any word said to you
Holds a liquored, puzzled truth[Chorus]
It's just a habit
It's just a habit
It's just a habit[Verse 2]
If I slur a bit
It's just because I'm confused
Don't think much of it
My days belong to you
If you're kind, my nights can too[Chorus]
It's just a habit
It's just a habit
It's just a habit
