

Almost Honest (Environmental Science Mix)

Megadeth

I lied just a little when I said I need you
You stretched the truth when you said that you knew
Just can't believe it there's nothing to say I was almost honest, almost Living alone, can't stand this place
It's four in the morning and I still see your face I was nearly pure, when I said I loved you
You were semi-sincere, you said, "I'd bleed for you"
We were kind of candid now you've gone away You were almost honest, almost Living alone, falling from grace
I want to atone but there's just empty space
I can't face tomorrow, now you're not coming back
Walked off in the night and just left me the tracks I question your call by the tone of your voice
I know I should hang up but I don't have a choice
It happened that night when you told me to go
Don't ask who's to blame? I don't know Living alone, falling from grace
I want to atone but there's just empty space
I can't face tomorrow, now you're not coming back
Walked off in the night and just left me the tracks Almost, almost honest
Almost, I was almost honest
Almost, almost honest
Almost, I was almost honest
Almost, almost almost honest
Almost, I was almost honest
