

# One Reason

## Rising Girl

You take the best away  
From me then give it all away  
You can't control yourself  
For anyone  
Don't think that you could ever see  
That things are not the same  
You can't control yourself  
For anything  
Give me one reason to stop your fall (Yeah yeah yeah)  
Give me one reason to Answer Your call (Yeah yeah yeah)  
Give me one reason why I should care at all  
Don't think you could understand  
But logic rips away  
The mask that you put on  
For everyone  
You feel it slipping from your hands

Still you manipulate  
You can't control yourself  
For Anything  
Give me one reason to stop your fall (Yeah yeah yeah)  
Give me one reason to Answer Your call (Yeah yeah yeah)  
Give me one reason why I should care at all  
Let someone look inside at what's  
Behind the mask where you hide  
A mixture of pain and pride the real  
You that's been Denied  
Won't you give me one reason? [x3]  
Give me one reason to stop your fall (Yeah yeah yeah)  
Give me one reason to Answer Your call (Yeah yeah yeah)  
Give me one reason why I should care at all
