

# Sitting On The Roof Of The World

Dido

I climbed a mountain  
Not knowing that I had  
Thought it was just a road from a to b  
I took no protection  
Not much of anything  
Just went as I was  
Looking in windows  
And playing songs  
And knocking on doors  
And I was not scared  
I just enjoyed the sights  
Kept myself to myself  
There I was  
Sitting on the roof of the world  
There I was  
There I was  
Not knowing how I got there  
Or how to leave  
Everyone says  
I was lucky to have got there  
As not many can  
But truth be told  
I was saved  
By the love  
Of a good man  
Who came and got me  
  
And bought me down  
From on  
Up there  
I'd be lying if I didn't say  
I missed it now and then  
But I have no wish to go back there  
There I was  
Sitting on the roof of the world  
There I was  
With all the gods  
Not knowing how I got there  
Or how to leave

People say  
What's so special about being back here  
With everyone so close  
But that's the point  
I don't want to be different  
I just want to fit in  
There I was  
There I was  
Sitting on the roof of the world  
There I was  
With all the gods  
Not knowing how I got there  
Or how to leave
