Nothing at All

Gentle Giant

Now she sits by the riverside
Watching the waters glide by with a sigh
And the things she put faith in
Are ripples just waving her by with a sighShe sees lovers pass by
With much more than a kiss
Ahh this, here's a girl who had everything
Find she's nothing at allNow the wind seems so cold seems so old
As it laughs at her fears and her tears
And as ducks swim away from her visions
Of past love, appear in her tearsShe sees love in his face
As she tells him to go
And so, here's a girl who had everything
Find she's nothing at allWhat would she say, yeah if she saw him? Yeah
Now that she's gone man, you're losing, yeah
Now you can see what she's seeing, yeah
For sure she'd be more than choosing, yeahYou're losing man, yeah, come on, babe
Yeah losing, yeah you, you're losing, man
Alright yeah, yeah, yeah
Come on, playNow she sits by the riverside
Watching the waters glide by with a sigh
And the things she put faith in
Are ripples just waving her by with a sighShe sees lovers pass by
With much more than a kiss
Ahh this, here's a girl who had everything
Find she's nothing at all
