

Aerometh

Zimmers Hole

Faith and fire
Cinder forsaken
Lust and greed
The satyr untamed
Slain god
Ritual and dogme
Old blood
The kingdome must fall
Why should i be one of the normals?
Why should i have faith in a lie?
Why should i accept the deception? Turn away... anointed fools
Hollow shrines... follow the blind Why should i accept the deception?
Why should i have faith in a lie? Open eyes... will is my own
Blind of faith... reap what you've sown...
