

Brighter Than the Sun

Colbie Caillat

Stop me on the corner
I swear you hit me like a vision
I, I, I wasn't expecting
But who am I to tell fate where it's supposed to go with it?
Don't you blink you might miss it
See we got a right to just love it or leave it
You find it and keep it
'Cause it ain't every day you get the chance to say[Chorus]
Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, we could be the stars, falling from the sky
Shining how we want, brighter than the sun I never seen it, but I found this love I'm undefeated
You better believe, I'm gonna treat? better than anything I've ever had
'Cause you're so damn beautiful read it
It's time and deliver it let's seal it
Boy we go together like peanuts and paydays and Marley and reggae
And it ain't every day you get the chance to say[Chorus] Everything is like a white out, 'cause we shk shk shine
down
Even when when the light's out but I can see you glow
Got my head up in the rafters, got me happy ever after
Never felt this way before, ain't felt this way before I swear you hit me like a vision
I, I, I wasn't expecting
But who am I to tell fate where it's supposed to go? Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, we could be the stars, falling from the sky
Shining how we want, brighter than the sun, yeah Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, we could be the stars, falling from the sky
Shining how we want, brighter than the sun, yeah
Brighter than the sun
Brighter than the sun
Brighter than the sun Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lightning strikes the heart
It goes off like a gun, brighter than the sun
