

Aftermath

Crown the Empire

There's nothing I can't face
So open the flood gates
No fear of what's to come
I'm not going under
Not running for cover
Standing against the sunAfter the fire, after the flames
Nothing will feel the same
My scars are closing, my heart is open
I am not afraid
I'm ready to burn again
I'm beginning to catch my breath
I'm ready to dream again
Surviving will love me for take
I had to bleed to lose
Find myself to prove
I could feel love without you
I'm all that I have
I am the aftermath!Show with no mercy
Cause it cannot hurt me
No more will I bite my tongue
Tired of worthless fighting the purpose
No long I will last stay numbAfter the fire, after the flames
Nothing will feel the same
My scars are closing, my heart is open
I am not afraidI'm ready to burn again
I'm beginning to catch my breath
I'm ready to dream again
Surviving will love me for take
I had to bleed to lose
Find myself to prove
I could feel love without you
I'm all that I have
I am the aftermath!Break my bones, you will see;
You can't kill me, you can't kill me!
Break my bones, you will see;
You can't kill me, you can't kill me!You can't kill me!I'm ready to break again
I'm beginning to catch my breath
I'm ready to dream again
Surviving will love me for take

I had to bleed to lose
Find myself to prove
I could feel love without you
I'm all that I have
I'm all that I have
I'm all that I have
I am the aftermath!
I am the aftermath!(Aftermath)Break my bones, you will see;
You can't kill me, you can't kill me!
Break my bones, you will see;
You can't kill me, you can't kill me!
