

Pieces

Tamar Braxton

Don't you say it was me
I don't wanna hear it
You say you miss me
I don't wanna feel it, I don't wanna feel it
If you really want it to be
Oh, If you really want it to be
You would make a woman out of me
Oh, I'll be the woman you believe in You don't want my love I swear you don't want it
You don't want my trust I swear you don't want it
Gave you my other one, I swear you don't want it
You don't want it baby, no, I'mma take it back I don't want your pieces
Oh no no
I don't want your pieces
Oh no no If you can't give me up your love
I don't want your love
Get through curvy me
Can't you see I'm hurting
It's gonna be hard for me
I know this way up high me
That I am way hard wind, tryna let go of you
But I don't really know if I can do it
Cause I done around you
You don't really wanna see me dying, nooo I tried a thousand times
Sold my heart a thousand lies
You won't let me say goodbye
You don't wanna see me dying, nooo I don't want your pieces
Oh no no
I don't want your pieces
Oh no no If you can't give me up your love
I don't want your love no no If you can't give me up your love
I don't want your love no no No baby, it's all clear
You leave me here
Wondering, dreaming, still believing
What you say boy, i'm not poor baby
I throw no harm, I think you playing
But you don't want me, you're the only one you're needing
Truth doesn't matter, it's you don't think I have the strength to be
But I don't want no PIECES
Oh no no

I don't want your pieces
I'm tired of giving up all my love
I don't want your pieces
Oh no no
I don't want your pieces
Oh no no I'm a just more, and this a little part
I want nothing, the f*ck I'll have it all
I ain't even gonna play, but something I can keep
I want the whole thing, I forget about me
