

# Beneath The Wheel

## D.R.I.

Beneath The WheelGo! - Don't be late  
First one out of the starting gate  
Run! - Be on time  
First one to cross the finish lineSwim ahead of the school  
If you have to, cheat  
If you never slow down  
You'll never be beat  
If you lose in life  
It's because you lagged  
Keep up with the traffic  
Or you'll get dragged down  
Beneath the wheelGo! - Don't be tardy  
Fell asleep last night at a party  
Run! - Make the grade  
School's a job you don't get paidRun at the head of the pack  
Be the leader in this race  
Stay up front  
Just in case  
If you lose in life  
It's because you lagged  
Keep up with the traffic  
Or you'll get dragged down  
Beneath the wheelDon't play child's games  
They're just a waste of mind  
Study every night or you might fall behind-  
Dragged down beneath the wheel  
Stop! - You can't win  
But you can always  
Catch up in the end
