

Brighter Days

Ronan Keating

I've done a lot of living in my life
Chased my share of rainbows in the sky
Before I stopped to ask the question why
I've fallen out of love too many times But now I see the possibilities
Oh how my life could be at all From any other love I'd walk away
Love is temporary I would say
And now each night I find a reason to stay
With you there's always brighter days I've broken a heart, a part or two
I've let the curtain fall I guess, it's true
The thought of something borrowed something blue
Was something that I never could pursue But now you're here my doubt has disappeared
The clouds have gone, it's clear From any other love I'd walk away
Love is temporary I would say
Now each night I find a reason to stay
With you there's always brighter days Even on the coldest nights
Even when the sun won't shine
It's sweeter in the morning time
Just knowing that you're there From any other love I'd walk away
Love is temporary I would say
Now each night I find a reason to stay
With you, you there's always brighter days From any other love I'd walk away
Love is temporary I would say
Now each night I find a reason to stay
With you there's always brighter days
