

Forever Ever (feat. Jack Davey)

Christian Rich

Near and far
no matter where we go
you know my heart belongs
right here with you
forever true
you're a needle to the skin down
like a tattoo
forever
do it forever
and ever
we get it forever
i love you forever
ever
...
so incredible
how we both share the sky
all day and night
im here with you
forever true
a million colors to the skin down
like a tattoo
forever
i want it forever
forever and ever
i want it forever
i want it forever
do it forever
and ever
we get it forever
i love you forever
ever
...
end
