

All The Time

Werly Fairburn

i love love love love love my baby a-all the time
love love love love love my baby a-all the time
i love her oh so much, i tremble at her touch
i love love love my baby a-all the time

Shes a real gone cookie and i love her so
Shes a real gone baby and i love her so
When i met her i would say, Do them all away
Shes a real gone baby and i love her so...

Shes fine lord shes setting me on fire
Shes sweet sweet sweet shes setting me on fire
I wish that she would be, crazy over me
Shes sweet sweet sweet shes setting me on fire

Shes wild as all them cherries o-on the tree
Shes wild as all them cherries o-on the tree
A treasure in the rough, Lord she shakes me up
Shes wild as all them cherries o-on the tree

i love love love my baby a-all the time
i love love love my baby a-all the time
i love her oh so much, i tremble at her touch
i love love love my baby a-all the time
