

Good Hearted Woman

Willie Nelson

A long time forgotten
Are dreams that just felt by the way
And the good life he promised
Is not what she's living to day But she never complains of
The bad times or bad things he's done
She's just talks about the good times they've had
And all the good times to come She's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understand And through teardrops and laughter
They'll pass through this world hand in hand
This good hearted woman
In love with her good timin' man Well now, he likes the night life
The bright lights and good timin' friends
And when the party's all over
She welcome him back home again Though she don't understand him
She does the best that she can
This good hearted woman
In love with her good timin' man She's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understand And through teardrops and laughter
They'll pass through this world hand in hand
This good hearted woman
In love with her good timin' man She's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understand
