Crime

Real Estate

Toss and turn all night
Don't know how to make it right
Crippling anxietyThis crowd was growing old
If I may be so bold
Will you go straight with me?I don't wanna die
Lonely and uptight
Stay with me
All will be revealedI remember when
This all felt like pretend
And I still can't believeSprung you from your hole
With everything you own
As if you weren't already freeI don't wanna die
Lonely and uptight
Stay with me
All will be revealedI don't wanna die
Lonely and uptight
Stay with me
All will be revealed
