

Crime

Real Estate

Toss and turn all night
Don't know how to make it right
Crippling anxiety This crowd was growing old
If I may be so bold
Will you go straight with me? I don't wanna die
Lonely and uptight
Stay with me
All will be revealed I remember when
This all felt like pretend
And I still can't believe Sprung you from your hole
With everything you own
As if you weren't already free I don't wanna die
Lonely and uptight
Stay with me
All will be revealed I don't wanna die
Lonely and uptight
Stay with me
All will be revealed
