

# Graveyard Shift

## Bobby 'Boris' Pickett

I've Been Working The Graveyard Shift  
No One Ever Told Me It Would Be Like This  
Sundown Til The Morning Mist  
Starting My Day With A Moonlight Kiss  
And I Was Born On A Precipice  
Between Salvation And The Great Abyss  
Don't Think I Can Go On Like This Putting In Time On The Graveyard Shift  
I Go To Work At Sundown,  
Pick-Axe Digging Into Common Ground  
Night Falls But It Makes No Sound Duty's Calling From The Underground  
Now Here It Comes It Comes  
The Setting Sun Time To Dig Down And See What Side You're On  
Until The Dawn The Dawn You're Soldiering On  
Every Sundown You Gotta Be Reborn  
Come Away, Come Away, Come Away  
Come Sit By Me And See What I See  
When I Close My Eyes At The Edge Of Sleep  
And We Dream On The Blade Of A Knife  
Following The Trail Of The Afterlife

Now Here They Come The Night Commuters  
The Midnight Hoard The Dawn Refuters  
They're All Here To Settle A Score  
With The Phantom Limbs And The Ghosts Of War  
Now Here It Comes It Comes  
The Setting Sun Time To Dig Down And See What Side You're On  
Until The Dawn The Dawn You're Soldiering On  
Every Sundown You Gotta Be Reborn  
Come Away, Come Away, Come Away  
I've Been Working The Graveyard Shift  
Traded Night For Day Now It's All I Can Do To Stay Awake  
Eyes Heavy As The Moonlight Drifts Time To Dig, Time To Dig And Bury My Mistakes Bury My Mistakes  
I've Been Working The Graveyard Shift  
No One Ever Told Me It Would Be Like This  
Sundown To The Morning Mist  
Starting My Day With A Moonlight Kiss  
And I Was Born On A Precipice  
Between Salvation And The Great Abyss  
I Don't Think It Can Go On Like This

## Putting In Time In The Graveyard
