

# Ban The Tube Top

## Reel Big Fish

You're 17, evil and mean, comfy and cozy nowhere scene  
You can't deny the loser inside all of your bad taste won't subside  
You're outta sight keep me up at night you  
dress funny strapless and skin tight  
You're outta sight you keep me up at night you make me crazy you wear it out of spite  
Ban the tube top tonight  
You're magical mystery girl tick tock you don't stop rockin' my world  
You give high fives to all the guys you let me know that I'm alive  
You're outta sight keep me up at night you  
dress funny strapless and skin tight  
You're outta sight you keep me up at night you make me crazy you wear it out of spite  
Ban the tube top tonight  
There's a party that were all invited to but I don't care because I hate everyone in school  
I ignore all the girls but you  
Beautiful girl, ugly shirt you are a fashion red alert  
But I can't resist, you've never been kissed and I've never been in love like this  
You're outta sight keep me up at  
night you dress funny strapless and skin tight  
You're outta sight you keep me up at night you make me crazy you wear it out of spite  
Ban the tube top tonight
