Take Me There

Rascal Flatts

Theres a place in your heart, nobody's been
Take me there
Things nobody knows, not even your friends
Take me thereTell me 'bout your momma
Your daddy, your hometown, show me around
I wanna see it all, don't leave anything outI wanna know everything about you then
And I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me thereYour first real kiss, your first true love
You were scared, show me where you learned about life
Spent your summer nights without a care
Take me thereI wanna roll down Main Street, the back roads
Like you did when you were a kid
What made you who you are?
Tell me what your story isI wanna know everything about you then
And I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me there, yeahI wanna know everything about you
Yeah, everything about you, baby
I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me, take me, take me there, oh(Take me, baby, take me)
I wanna roll down Main Street
I wanna know your hopes and your dreams
(Take me there)
Take me, take me there, yeah(Take me, baby, take me)
(Take me there)
(Take me, baby, take me)
(Take me there)
