

# Out Into the Fields

**Jack Bruce**

Out into the fields, I will go flying  
Lovers of a train will watch my tracks  
Lonely in their, lonely in their boxes  
Me, I'm raising, raising the smileOut over the moon, I will go running  
Lovers of the stars will watch my trails  
Lonely in their, lonely, lonely, lonely  
Lonely, lonely, lonely  
Me, I'm raising, raising the smileLovers of the stars  
Will see my trails  
Lonely in their, lonely, lonely in their boxes  
Me, I'm raising, raising the smile
