

# Mojo

## Sylvain Luc

Those haunting rhymes are keeping the time  
But they'll never get through to meIt's my party but I'm waiting for someone to start it  
    It's my party, there's no one but me in the corner.  
Gotta get my mojo runnin', engine hummin', don't I?Now roll it up and smoke it again  
    Now light me up and snort it again  
    Now fix it up and shoot it again  
    I can't believe I did it againKeep haunting me, taunting me  
But they'll never get through to meIt's my party, but I'm waiting for someone to start it  
    My party, there's blood on the ceiling, the carpet  
Gotta get my mojo runnin', engine hummin', don't I?Now roll it up and smoke it again  
    It's bottoms up and drink it again  
    Now fix it up and shoot it again  
    I can't believe I did it againI'm readin' the signs, makes me wonder  
    Why they're getting through to me  
    Gotta get my mojo runnin', engine hummin', don't I?  
Gotta get my mojo runnin', engine hummin', don't I?Now roll it up and smoke it again  
    It's bottoms up and drink it again  
    Now fix it up and shoot it again  
    I can't believe I did it againOops, I did it again
