

# This Must Be The Place (Naïve Melody)

## Talking Heads

Home

It's where I want to be  
Pick me up and turn me round  
I come home  
Born with a weak heart  
I guess I must be having fun

But the less we say about it the better  
Let's make it up as we go along  
Feet on the ground  
Head in the clouds  
I'm okay, I know nothing's wrong

Hi ho  
Got plenty of time

Mm, yeah  
Hi ho  
You got light in your eyes

And you're standing here beside me  
I love the passing of time  
Never for money  
Always for love  
Cover up and say good night  
Say good night

Home  
That's where I want to be  
But I guess I'm already there  
I come home  
You lifted up your wings  
I guess this must be the place

Because I can't tell one from another  
Did I find you or you find me?  
There was a time before we were born  
If someone asks this is where I'll be

Hi ho

We drift in and out

Mm, yeah

Hi ho

Sing into my mouth

And out of all those kinds of people

You got a face with a view

And I am just an animal looking for a home

To share the same space for a minute or two

Will you love me until my heart stops?

Will you love me until I'm dead?

You got eyes that'll light up

Eyes that look through

Cover up the blank spot

Hit me on the head

Say good night

Say good night

Say good night
