

Shooby

Nicole C. Mullen

I believe in Jesus
And I won't apologize
He has bought me my freedom
With His blood and with His life Yeah, I believe in Jesus
And I ain't ashamed to testify
You might change this world around me
But you'll never change my mind And it makes me wanna
Shooby, Doobee Doobee, Doo-wop
Throw my hands up high and
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta
Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee Doobee, Doo-wop Drop 'Cause I believe in Jesus
I'm a fanatic bonafide, crazy
When I think about His goodness
It brings water to my eyes
Make me wanna cry now I believe in Jesus, yeah
And I ain't ashamed to testify
You might change this world around me
But you'll never change my mind And it makes me wanna
Shooby, Doobee Doobee, Doo-wop
Throw my hands up high and
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta
Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee, Doo-wop Take it to the bridge
Break it down Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta
Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta

Shooby, Doobee Doobee, Doo-wop
No no no
Shooby, Doobee Doobee, Doo-wop
And I won't apologize, no Said I won't apologize, I know
Said I won't apologize, I won't
No I wanna holla
I am just doing my thing
