Blind Myself

Kin, csd vre felkilt hozzm a Fldrl lgy teht tkozott a Fldn,
amely megnyitotta szjt, hogy beigya testvred vrt, amelyet kezekkel ontottl ki. Ha mveled a fldet nem ad neked
termst, hontalan s bjdos leszel a Fldn.Kain
Next level of spiritual life
Getting better in the soulless wall
Have you ever... basic of true yourself
Right for your hold, for your earth
FiredOly nagy a vtkem, hogy nem tudom elviselni, lm ma elztl fldemrl
s el kell rejtnm elled
Hontalan s bjdos leszek a Fldn s brki rmtall meglhetI should have broken your hand
Broken your leg
You shouldn't have split on the ground
You shouldn't have split to your face
I should have broken your hand
Broken your leg
