

# Arab Money

## Busta Rhymes Feat. Ron Browz -

Ron Browz! Yes!  
I'm way back in the most amazing way  
Well lemme introduce you to the new talk  
Let's get straight to it, c'mon!  
La ilaha illa Allah, ha la ili, hay yo  
Hili b'Allah, hey, hili bay yo  
We getting Arab money  
We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money  
Now there ain't no way that you can kill a beast dead  
I got Middle East women and Middle East bread  
I got oil well money, in the desert playing golf  
Go chase short stack sheiki with a Louis scarf  
Chest cold diamonds make a nigga wanna cough  
In Dubai 20 million on a villa loft  
And then I step up in the club then these other niggas mad as shit  
The way I make the people wanna sing the hook in Arabic  
La ilaha illa Allah, ha la ili, hay yo  
Hili b'Allah, hey, hili bay yo  
We getting Arab money  
We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money  
Seven star hotels, Maybach, movies  
Sick, big ass, knock-kneed, camel toe, Gucci  
Pretty women walk around while security on camel-back  
Club on fire now, niggas don't know how to act  
Sitting in casinos while I'm gambling with Arafat  
Money long, watch me purchase pieces of the Almanac  
Y'all already know I got the streets bust  
While I make ya bow down and make salaah like a Muslim  
La ilaha illa Allah, ha la ili, hay yo  
Hili b'Allah, hey, hili bay yo  
We getting Arab money

We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money  
See now I take trips to Baghdad, dummy wow  
Use a stack of chips to count Arab money now  
I don't need to get fresh, about to grow a beard dude  
So much cake even the money look weird too  
Domestic bread and a broad  
I'm tryna eat like Prince Al-Waleed bin Talal Al-Saud  
Who might respect the value of my worth  
In Maui, Malaysia, Iran and Iraq, Saudi Arabia!  
La ilaha illa Allah, ha la ili, hay yo  
Hili b'Allah, hey, hili bay yo  
We getting Arab money  
We getting Arab money  
Hala sheiki, ha lini falla  
Mili ha lan shi inni mala  
We getting Arab money  
We getting Arab money
