Golden Cemetery - Betrayal

Grajo

you left me laying in my sweet illusion

ripping out the beautiful music from my heart

when the moon light came to me

I reconocized the evil in your soul

take this kiss upon the brow

thank you for wake me up

I was blind but now I see

DON'T CARE IF YOU HURT ME YESTERDAY I RISE FROM MY ASHES LIKE A PHOENIX

NOW IT'S A PLEASURE TO SEE AWAY FROM HERE

YOUR BETRAYAL MADE ME STRONGER
