

Truly

Marcia Griffiths

Truly,
I love you truly
Truly,
I love you truly
And it would mean so much to me
If you could understand
That I need you, just to be my lover man
I said
Truly,
I love you truly
Truly,
I love you truly
Really, I want you near me
Really, If you should hear me
'Cause you don't know like I know baby
You've got to change your plan
'Cause I need you, just to be my man
Truly,
I love you truly
Truly,
I love you truly
Truly,
I love you truly
Truly,
I love you truly
I love you truly
