

# Older Than My Years (Radio Edit)

Cherie

You say that you are leaving  
They say that I'm too young for you  
You say it's for the better  
And that one day soon I will understand I believe that I know you like no other lover  
I believe [Chorus]  
My love is stronger than my years  
It's wiser than your fears  
It's telling you to stay and not to go  
Love is wisdom from the heart  
It tells us who we are  
So look beyond the years  
I'm older than my tears You say that life's a journey  
They say I'm only at the start  
You say it's the beginning  
But it feels like the end  
Your friends will be apart And I believe that you know me like no other lover  
Do you believe? [Chorus] Don't let my innocence deceive you  
Because there's more to me than meets the eye  
Don't let these feelings turn to sorrow  
There's no good in goodbye [Chorus] Love is wisdom from the heart  
And shows us who we are  
So please look beyond my years  
I'm older than my tears  
I'm older than my tears
