

# Hurt Me

## Lapsley

Can't look at you the same way, anticipatin' heartbreak  
And I know, and I know, and I know  
I'm puttin' on a brave face to meet you in the same place  
And I know, and I know, and I know  
Gotta let my mind find another space  
Cause I heard these scars never go away  
And now I'm runnin' out of ways to numb the pain  
So if you're gonna hurt me  
Why don't you hurt me a little bit more?  
Just dig a little deeper  
Push a little harder than before  
And I'm counting down the seconds that we have  
I can see the end in sight, at last  
So if you're gonna hurt me  
Why don't you hurt me a little bit more?  
Like breathing underwater, what's the law and order?  
I don't know, I don't know, I don't know  
You're sitting in a corner, hiding 'til it's over  
And it shows, and it shows, and it shows  
Buildin' up my walls just to tear them down  
Tell me that it's love, force me to drown  
Buildin' up my walls just to tear them down  
Tell me that it's love  
(And I thought you said you still loved me)  
So if you're gonna hurt me  
Why don't you hurt me a little bit more?  
Just dig a little deeper  
Push a little harder than before  
And I'm counting down the seconds that we have  
I can see the end in sight, at last  
So if you're gonna hurt me  
Why don't you hurt me a little bit more?  
Never thought I would lose my grip  
I always thought it was an adverse trip  
Never thought it would hurt so much  
Lost your way to another touch  
And I thought you said you loved me  
So if you're gonna hurt me  
Why don't you hurt me a little bit more?  
Just dig a little deeper  
Push a little harder than before  
And I'm counting down the seconds that we have  
I can see the end in sight, at last  
So if you're gonna hurt me

Why don't you hurt me a little bit more?
