

# Love Lies

## Walk Off the Earth

Sorry if it's hard to catch my vibe, mmm  
I need a lover to trust, tell me you're on my side  
Are you down for the ride?  
It's not easy for someone to catch my eye  
But I've been waitin' for you for my whole damn life  
For my whole lifetime Don't be afraid to tell me if you ain't with it (you ain't with it)  
I see you focused, yeah you're so independent (independent)  
It's hard for me to open up, I'll admit it (I'll admit it)  
You got some shit to say and I'm here to listen So baby, tell me where your love lies  
Waste the day and spend the night  
Underneath the sunrise  
Show me where your love lies  
I've been so into your mystery  
Is it because of our history?  
Are you into me?  
When it feels so good, but it's bad for you  
Can't say I don't want it 'cause I know I do  
Come on over, I need your company  
Cravin' that synergy Don't be afraid to tell me if you ain't with it (you ain't with it)  
I see you focused, yeah, you're so independent (independent)  
It's hard for me to open up, I'll admit it (I'll admit it)  
You got some shit to say and I'm here to listen So baby, tell me where your love lies  
Waste the day and spend the night  
Underneath the sunrise  
Show me where your love lies  
If you're down, don't hide it  
Feelin' me, you don't gotta deny it  
Baby you gon' make me overnight it  
Tell me, are you down?  
If you're down, don't hide it  
Feelin' me, you don't gotta deny it  
Baby you gon' make me overnight it  
Tell me, are you down? (Tell me) Tell me where your love lies  
Waste the day and spend the night (waste the day, spend the night)  
Underneath the sunrise (underneath the sunrise)  
Show me where your love lies (tell me where your love lies)  
Tell me where your love lies (tell me where your love lies)  
Waste the day and spend the night (waste the day and spend the night)  
Underneath the sunrise (underneath the sunrise)

Show me where your love lies (show me where your love lies)
