

Honey, Honey

[Amanda Seyfried](#)

Honey honey, how he thrills me, a-ha, honey honey
Honey honey, nearly kills me, a-ha, honey honey I've heard about him before
I wanted to know some more And now I know what they mean, he's a love machine
Oh, he makes me dizzy Honey honey, let me feel it, a-ha, honey honey
Honey honey, don't conceal it, a-ha, honey honey The way that you kiss good night
(Way that you kiss me goodnight)
The way that you hold me tight
(Way that you're holding me tight) I feel like I wanna sing
When you do your thing Honey honey, touch me baby, a-ha, honey honey
Honey honey, hold me baby, a-ha, honey honey You look like a movie star
And I learned just who you are I wanted to say the least
You're a dog-gone-Beast! Honey honey, how you thrill me, a-ha, honey honey
Honey honey, nearly kill me, a-ha, honey honey I've heard about you before
I wanted to know some more And now I am about to see what you mean to me
