Wings

Sofi De la Torre

Dodging bullets never felt like this
anything they throw at us
let them take the best shot
burning brighter so much stronger with you with youWhen the world starts crashing down
I will be here no bailing out
I will let you knowFalling is flying cause you give me wings
finally I see
I'll fall into you if you fall into me
have a little faith
even if the grounds shaking
even when your hopes fading
I'll hold on and I'll never let you go
falling is flying cause you give me wings
you gave me wingsIf I had one wish I would wish for you
come a little closer
theres something that you need to hear
I know, you know time will never get inbetweenWhen the world starts crashing down
I will be here no bailing out
I will let you knowFalling is flying cause you give me wings
finally I see
I'll fall into you if you fall into me
have a little faith
even if the grounds shaking
even when your hopes fading
I'll hold on and I'll never let you go
falling is flying cause you give me wings
you gave me wings yeahFalling is flying cause you gave me wings
I'll fall into you if you fall into me
have a little faithFalling is flying cause you give me wings
finally I see
I'll fall into you if you fall into me
have a little faith
even if the grounds shaking
even when your hopes fading
I'll hold on and I'll never let you go
falling is flying cause you give me wings
you gave me wings
you gave me wings
