

Comfort Me

New Life Community Choir Feat. John P. Kee

When you comfort me
And doesn't bring me comfort actually

When you comfort me

True life in haiku

And balances of phrase

out of the blue

And meaning shown to you

Where does sadness see

The mirror has a mirror in his teeth

That's what sadness sees

Big sky tiny bird

And when the paragraph betrays the word

Big sky tiny bird

who-who-who who-who-who-who-who-who

who-who-who who who who who who who who

While you held me up

I held out my calendar like a cup

While you held me up

Make it about me

I wanna to hold the blame to guillotine

Make it all blame free

Hee-hee-hee hee-hee-hee hee-hee-hee

hee-hee-hee hee-hee-hee hee-hee-hee

Na na na na-na na na na na-na na na na na na na na na na na

na na na na-na na na na na-na na na na na na na na na na na

na na na na-na na na na na-na na na na na na na na na na na...
