

# You'll Be Mine

[Stevie Ray Vaughan](#)

You so sweet, you so fine  
How I wish, you were mine  
Honey I'll, be your love  
You'll be mine, you'll be mine You so nice, you so true  
I'm so glad, I love you  
Honey I'll, be your love  
You'll be mine, you'll be mine Tell me, pretty baby  
If you, gonna try  
If you'll, stay baby  
Hang on baby 'til the day I die It's true, I love you  
I don't care, what you do  
Honey I'll, be your love  
You'll be mine, you'll be mine  
You'll be mine, you'll be mine Tell me, pretty baby  
If your, gonna try  
If you'll, stay baby  
Hang on baby 'til the day I die It's true, I love you  
I don't care, what you do  
Honey I'll, be your love  
You'll be mine, you'll be mine  
You'll be mine, you'll be mine
