

# Love Is Stronger Than Pride

[Amber Mark](#)

Walked in  
And I didn't stop living  
I walked in  
I'm good at forgiving I can't hate you though I have tried  
I still really really love you  
Love is stronger than pride I walked in  
And I didn't stop living  
I walked in  
I'm good at forgiving  
I can't hate you though I have tried  
I still really really love you  
Love is stronger than pride Sitting here wasting my time  
Feel like waiting for the sun to rise  
It's all too clear  
Things come and go  
Sitting here waiting for you would be like  
Waiting for winter  
It's gonna be cold  
There might even be snow  
I can't hate you though I have tried, I  
I still really really love you  
Love is stronger than pride  
I still really really love you  
Love is stronger than pride
