By Myself

Juelz Santana

Dudes dat neva spoke
2 me now wanna speak
girls dat neva said a wrd
now wanna creep
guys dat neva ran wit me
now wanna b
da only passanger on my coupe
Wit 2 seats
Damn wat iz it homes
Ur boyz breast soft
And fake
I cuk feel da Silicon
Ya all a bunch of palema andersons
Me a family man
I take care of da family man

N it seems dat my day 1 niggaz
aint acting like day 1 niggaz
I aint change
I jus came up niggaz
N trust me wen I say
I aint put da streets down
or dem thangs up niggaz
I bring da phantom thru da hood
I aint frontin on ya
im juss tryna let u kno
its bigger dan the corner my dog
I aint playing basketball
but im ballin for sure
now bak to da money
