I'm Falling In Love With Someone

Frances Langford

I've a very strange feeling I've ne'er felt before,
It's a kind of a grind of depression.
My heart's acting strangely, it feels rather sore,
At Least, it gives me that impression.
My pulses beat madly without any cause,
Believe me, I'm telling you truly.
I'm gay without pause, then sad without cause,
My spirits are truly unruly.

For I'm falling in love with some one, some one girl.
I'm falling in love with someone head a-whirl,
Yes, I'm falling in love with someone plain to see,
I'm sure I could love someone madly,
If someone would only love me.

Yes, I'm falling in love with someone plain to see,
I'm sure I could love someone madly,
If someone would only love me.
