You Sound Good to Me

Pop Beatz

The full moon
Is shining like a spotlight
Yeah, I could just sit and listen to you talkin' all night
When you whisper
Yeah baby, when you lean in
Yeah, I get a crazy, crazy good kind of feelin'It's like Amen from the back of the choir
Sweet hum of freedom underneath the tires
Kicked back sittin' by a cracklin' fire
Strumming them guitar strings
And like an old song on the radio
That you grew up to and everybody knows
Pushin' through the water when the river rose
Winding wild and freeBaby, you sound good to me
Baby, you sound so good to me
Mm-m-mm like a melody
Baby, you sound good to meTell me
All of your story
And don't you leave nothin' out 'cause baby, I ain't in a hurry
Every little thing you say
Got a real nice ring to it
The way it rolls off your lips
And oh, when you give me that kissIt's like Amen from the back of the choir
Sweet hum of freedom underneath the tires
Kicked back sittin' by a cracklin' fire
Strumming them guitar strings
Like an old song on the radio
That you grew up to and everybody knows
Pushin' through the water when the river rose
Winding wild and freeBaby, you sound good to me
Baby, you sound so good to me
Mm-m-mm like a melody
Baby, you sound good to meBaby, you sound good to me
Baby, you sound so good to me
Mm-m-mm like a melody
Baby, mm-mmLike an Amen from the back of the choir
Sweet hum of freedom underneath the tires
Kicked back sittin' by a cracklin' fire
Strumming them guitar strings
Like an old song on the radio

That you grew up to and everybody knows
Pushin' through the water when the river rose
Winding wild and freeBaby, you sound good to me
Baby, you sound so good to me
Mm-m-mm like a melody
Baby, you sound so goodBaby, you sound good to me
Baby, you sound so good to me
Mm-m-mm like a melody
Baby, you sound good (to me)
