

# Hands (Devarra Deep Mix) - World Music Mix

## July Child

Please don't take this from me  
Please don't say you care  
In another world you give your heart to another girl  
Late at night  
We cut through the flood  
Just to feel alive  
We come back for more  
Late at night  
We cut through the power lines  
All night (all night)  
We come back for more  
Let me see your hand baby  
Right ha a a all night  
Hand baby  
Right ha a a all night  
All beats play tonight  
Ha a goes all night  
Hand baby  
Right ha a a all night  
Please don't say you're sorry  
Please don't understand  
In another world she gave her heart to another man  
Late at night  
We cut through the flood  
Just to feel alive  
We come back for more  
Late at night  
We cut through the power lines  
All night  
We come back for more  
Let me see your hands and yet some more  
Feel your heart beat sink for to a flood  
Lets see your hands and yet some more  
Feel those heart beats sink in to a flood  
To the flood, to the flood  
Feel those heart beats sink in to the flood  
To the flood, to the flood  
Feel those heart beats sink in to the flood  
Let me see your hand baby  
Right ha a a all night  
Hand baby  
Right ha a a all night  
All beats play tonight

Ha a goes all night  
Hand baby  
Right ha a a all nightLate at night  
We cut through the flood  
Just to feel alive  
We come back for more  
Late at night  
We cut through the power lines  
All night  
We come back for moreLet me see your hands and yet some more  
Feel your heart beat sink for to a flood  
Lets see your hands and yet some more  
Feel those heart beats sink in to a flood
