Sale of talking out all mine
There's a cause you know I'll never try
And I love you like the one I used to know
And if you never have the time
Thats an ordinary problem
And I said I'd like to have a place to go
And you held and you tried
I could never find another
If you walk me to the car park
I wont go
To my left I saw the time
Flash and fall it seemed to swallow you
I could love you like the sister I never had
Joining circles in your concrete
I will know your every move
And I'll send ya and I'll send ya
And you held and you tried
I could never find another
If you walk me to the car park
I wont go
And we held and we tried
There was hardly lust between us
I will love you
I wont let go'cause we are one inside these walls
Undercover
We are one inside these walls
Undercover
We are one inside these walls
Undercover
We are one in
We are one in
We are oneAnd you held and you tried

I could never find another
If you walk me to the car park
I wont go
And we held and we tried
There was hardly lust between us
I will love you
I wont let go
We are one
We are one
We are one
We are one
