

Side By Side

Dick Prall

Stacking your dimes
For one last failed try
Coffee and wine
They just donâ€™t feel so right

And you know Iâ€™ll recognize
What youâ€™re telling me
â€˜Cuz youâ€™re talking out your eyes
Not sold, not satisfied
You stop, you drop, and rewind
Realign what youâ€™re telling me
But youâ€™re talking out your eyes
One mouth split open wide
Restless and dressed to nines

Weâ€™re going in side by side by side

Suitably praised
For checking out this way
Ingest and engage
In happy roundelay

And you know Iâ€™ll recognize
What youâ€™re telling me
â€˜Cuz youâ€™re talking out your eyes
Not sold, not satisfied
Restless and dressed to nines

Weâ€™re going in side by side by side

And you know Iâ€™ll recognize
What youâ€™re telling me
â€˜Cuz youâ€™re talking out your eyes
Not sold, not satisfied
You stop, you drop, and rewind
Realign what youâ€™re telling me
But youâ€™re talking out your eyes
One mouth split open wide
Restless and dressed to nines

Weâ€™re going in side by side by side
