

# Calm On the Water

Dolly Parton

In a dream I was walking in a beautiful field  
I was gathering flowers at the foot of a hill  
When a bright light descended and it spread o'er the land  
Jesus stood on the mountain and He held out His hand  
Then He came down from the mountain headed down to  
the sea  
And the children strawed flowers at the path at His feet  
And He was filled with compassion and the beasts from the wild  
Came as gentle as lambs and they all walked at His side  
There's a calm on the water a hush in the crowd  
There's peace in the valley there's a stillness about  
There's a light in the darkness there's joy in His love  
Ain't that a wonderful feelin' left us lift him up  
Then He suddenly vanished from the crowd down below  
Reappeared on the mountain in a radiant glow  
He said your questions are many but the answer is love  
There is life everlasting let us lift him up  
There's a calm on the water a hush in the crowd  
There's peace in the valley there's a stillness about  
There's a light in the darkness there's joy in His love  
Ain't that a wonderful feelin' left us lift him up  
He said if I be lifted up, He said if I be lifted up  
What did He say, He said if I be lifted up, He said if I be lifted up  
Let's lift him higher and higher and higher and higher each day  
Let's lift him up He said if I be lifted up of if I be lifted up
